- Any valid state or federal government issued photo ID, including a free Voter ID Card issued by your county registrar or Georgia Department of Driver Services (DDS).
- Valid U.S. passport.
- Valid employee photo ID from any branch, department, agency, or entity of the U.S. Government, Georgia, or any county, municipality, board, authority, or other entity of this state.
- Valid U.S. military photo ID.
- Valid tribal photo ID.

If a voter does not have one of these forms of photo identification, they can obtain a FREE Voter ID card at their County Registrars' office or the Georgia Department of Driver's Services.

A voter without one of the acceptable forms of photo identification can vote on a provisional ballot. He or she will have up to three days after the election to present appropriate photo identification at the county registrar's office for the provisional ballot to be counted.
